

The Accredited Adviser in Insurance program gives you the tools you need to establish a clear professional advantage in the marketplace and fulfill your commitment to customer service. In today's increasingly complex property-casualty insurance marketplace, only producers with in-depth insurance knowledge and a strong focus on customer service have a competitive edge.

Bottom-Line Benefits

AAI 81: Foundations of Insurance Production

- Develop strong customer relationships by building a solid foundation in a wide range of insurance products and services
- Minimize E&O exposures by learning how to meet or exceed customer expectations
- Increase income potential by enhancing your technical knowledge and skills

AAI 82: Multiple-Lines Insurance Production

- Write larger and more complex commercial lines with increased knowledge of general liability, auto, workers compensation, and bonds
- Solve needs for complex manufacturers and distributors by learning specialty property policy forms and boiler and machinery coverages
- Complete more accounts by learning to insure exposures that involve ocean marine or high-limit excess policies

AAI 83: Agency Operations and Sales Management

- Increase confidence and efficiency through effective sales and negotiation techniques
- Build efficiency by learning to manage agency operations with greater effectiveness
- Increase customer confidence with heightened knowledge of ethical and professional responsibilities

Course Level: Intermediate

Exams: Three

Completer Info: Passing the required exams earns the designation.

We Recommend AAI for: Agents/brokers, agency principals, and customer service representatives.

Sequence: We recommend taking AAI 81 before AAI 82. AAI 83 can be taken at any time.

Waiver Info: See our Web site for full details.

Seminar Option: AAI is offered in seminar format in certain states. Contact Customer Service for information by calling (800) 644-2101 or e-mailing customerservice@aicpcu.org.

Study Aids

Available for select Institutes courses, SMART Study Aids help you retain key concepts by supplementing course materials. The Review Notes and Flash Cards allow you to maximize your study time, while the new SMART Online Practice Exams are as close as you can get to experiencing an actual exam before taking one.

Online Courses

Online learning powered by COMET is the revolutionary Web-based learning tool that delivers the Institutes' respected technical insurance content in smaller pieces. Try it for yourself—visit www.aicpcu.org/COMET.

Questions?

For more information and to take advantage of the Institutes' free educational advising service, please call Customer Service at (800) 644-2101 or e-mail customerservice@cpcuia.org. You can also visit the Institutes on the Web at www.aicpcu.org, where you will find everything you need to know about registering and studying, including a complete course catalog. We're here to help you succeed on your professional development path!

About the Institutes

The American Institute for CPCU/Insurance Institute of America are not-for-profit organizations offering knowledge solutions and professional development services to the risk management and property-casualty insurance community. The Institutes offer the CPCU designation program; associate designation programs in areas such as claims, risk management, underwriting, and reinsurance; introductory and foundation programs; and online courses, all of which help drive better decision making to propel business success.

“AAI is a manual for operating an agency. The AAI program is an authoritative educational source that provides significant insight into business, law, finance, marketing, sales, insurance coverages, and insurance agency operations. It is a requisite to meeting the knowledge demands of our profession and the risk management needs of our customers.”
