### Welcome to ARe 145 – Readings in Reinsurance Issues and Developments

This is a self-study course. There is no instructor and completion of the course is self-paced. You will have access to the classroom for 365 days from the date of enrollment. If you need assistance navigating this course please contact customer service 1-800-644-2101, Monday through Friday, 8:00 a.m. – 6:00 p.m. eastern time or send an email to [csev@cpcuia.org](mailto:csev@cpcuia.org).

### Course Content

The ARe 145 course is comprised of reinsurance readings selected from contemporary journals and periodicals. The Institutes has obtained permission from authors and publishers to present each reading. **Students may print articles for purposes of preparing for and as reference during the ARe 145 quizzes, but any other use of this material must be authorized by the copyright holder.**

### Course Requirements

You select readings based on your interest. You complete the associated 5-point exam. When you have accumulated 150 total points, your course requirement is fulfilled. You will receive an e-mail confirmation from the Institutes within one week of course completion.

### Course Navigation

The course readings and quizzes are located below. Each section contains the following:

- **Article**—The article is best viewed by opening it in a separate window. Simply right-click on the pdf link and select "open in new window." This allows you to resize the window for optimum viewing. You can print the material to read off-line if you choose.
- **Quiz**—Each quiz can be opened once and taken once. You can refer to the reading when taking the quiz. However, once you have clicked the link to start the quiz, you must complete it.

### Reading Updates

To keep material relevant to current industry coverages and trends, course readings might be added and deleted. Notification will be posted at the top of this page at least 2 weeks before a reading will be removed from the course. Exam points earned on this reading are maintained.
